

TEACHER STAFFING & COURSE ACCESS

LIVE Staffing

Keep learning moving, even when a teaching seat is open.

THE CHALLENGE

An unfilled teaching position puts instruction and course access at risk. Existing staff must absorb the gap. Fullmind provides live, state-certified educators who teach your curriculum and work alongside your school team.

How Fullmind helps

Expand Your Educator Reach

Access live, state-certified educators beyond your local hiring pool to help fill vacancies and maintain instruction.

Keep Your Curriculum Moving

Align teaching with your district's coursework, pacing, and schedule to reduce instructional disruption.

Support Your School Team

Receive onboarding and ongoing partnership support to help virtual educators work effectively alongside on-site staff.

How it works

1

Define the Need

Identify the subject, grade level, schedule, and instructional priorities with your district team.

2

Match and Onboard

Coordinate educator matching, curriculum alignment, and onboarding with school staff.

3

Deliver and Communicate

Provide live virtual instruction and ongoing communication about participation, progress, and support needs.
