SERVICE OVERVIEW

SPECIAL EDUCATION & RELATED SERVICES

Mental Health Counselors

Support student mental health, even when the position is open.

THE CHALLENGE

Licensed specialists are in short supply, especially in rural districts. When a counseling position stays open, the services written into students' IEPs fall behind. Fullmind provides licensed mental health counselors who work live and virtually with your team.

How Fullmind helps

Support Student Mental Health

Licensed counselors support students' social, emotional and mental health needs, following their IEPs.

Document Sessions and Progress

Counselors document each session and student progress in a way your IEP team can use.

Strengthen Team Coordination

Work with teachers, case managers and families around each student's goals and progress.

How it works

1

Share Needs

Review caseloads, IEP service minutes, state requirements and schedules with your district team.

2

Match a Counselor
