

SPECIAL EDUCATION & RELATED SERVICES

Related Service Providers

The right support can open up a student's school day.

THE CHALLENGE

Specialist shortages can interrupt the services students need to participate in school. Your team needs qualified providers who can coordinate individualized support. Fullmind expands capacity through licensed professionals delivering live virtual related services.

How Fullmind helps

Expand Access to Specialists

Connect students with licensed professionals delivering live virtual related services.

Support Everyday Participation

Address individualized needs affecting communication, independence, and participation in school.

Strengthen Team Coordination

Bring providers and district staff together around student goals, service delivery, and progress.

3,000+

How it works

1

Identify Service Needs

Review the district's required specialties, student needs, and service schedules.

2

Coordinate Provider Support

Arrange an appropriate licensed provider and establish live virtual service delivery with the school team.

3

Communicate and Monitor

Share relevant progress updates and coordinate adjustments with district staff.
