Speech-Language Pathologists

Keep speech services on schedule, even when the position is open.

THE CHALLENGE

Several states list speech-language pathology as a 2026–27 shortage area. When the position stays open, speech services fall behind what students' IEPs require. Fullmind provides licensed speech-language pathologists who work live and virtually with your team.

Strengthen Team Coordination

Work with teachers, case managers and families around each student's goals and progress.
