

CREDIT RECOVERY & SUSPENSION ALTERNATIVES

Credit recovery and suspension alternatives with Fullmind

Missing credits and time away from class can put students' plans at risk. Fullmind teachers provide live guidance that keeps students working toward course completion and a prepared return.

Credit recovery

A supported opportunity to complete coursework and work toward missing credits, aligned with district-approved courses.

Virtual suspension rooms

Structured live academic support so students keep engaging with coursework during suspension.

HOW IT WORKS

From plan to progress

1

Confirm the plan

The district identifies students, coursework and requirements.

2

Teach live

Educator-led support aligned with the district's course expectations.

3

Keep structure

Scheduled learning time and educator interaction.

4

Document progress

Updates inform the district's credit and re-entry decisions.

WHAT YOU'LL DO

- Explain concepts, answer questions and give feedback
- Provide scheduled learning time and interaction during suspension
- Support students' transition back to class
- Guide students through district-approved coursework
- Share attendance and progress with the school team

What we look for: A valid state teaching certification for your subject and grade, at least 3 years of experience as a professional educator, a short virtual teaching demonstration and a background check. **Commitments:** secure, recorded sessions, all communication inside a secure platform, and a clear protocol if a student is in crisis.
