

## TUTORING &amp; ACADEMIC INTERVENTION

# Tutoring and academic intervention with Fullmind

Learning gaps need more than occasional extra help. Fullmind teachers provide consistent, targeted live instruction focused on priority skills and informed by student progress.

**High dosage tutoring**

Recurring live tutoring focused on priority skills.

**Test prep**

Focused instruction and guided practice for district-selected assessments.

**Homework help**

Personalized guidance with assignments and challenging concepts.

## HOW IT WORKS

## From plan to progress

1

**Set priorities**

Review learning needs and goals with the school team.

2

**Keep a schedule**

Recurring live sessions aligned with district priorities.

3

**Teach and practice**

Live instruction, practice and timely feedback.

4

**Review and refine**

Progress shapes the next instructional focus.

## WHAT YOU'LL DO

- Focus instruction on priority skills and each student's current understanding
- Practice question types and test-taking strategies with live feedback
- Help with assignments and challenging concepts
- Provide recurring practice, timely feedback and guidance
- Connect preparation to the district's learning priorities
- Share progress updates to inform next steps

**What we look for:** A valid state teaching certification for your subject and grade, at least 3 years of experience as a professional educator, a short virtual teaching demonstration and a background check. **Commitments:** secure, recorded sessions, all communication inside a secure platform, and a clear protocol if a student is in crisis.
